

“ GREAT IS THY FAITHFULNESS ”

Obviously, we cannot create atoms, grass, mountains, oxygen, gravity, sunsets, or even galaxies. **How fragile, insignificant, and dependent we are.** Yet as finite, feeble, and broken we all feel in a massive universe, God does have a position and place for us in a broken, sinful world. **We are to be His hands, His feet, His spokesman, His comforter agent, His resource manager.**

*“His master replied, ‘Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master’s happiness!’ ...‘Lord, when did we see you hungry or thirsty or a stranger or needing clothes or sick or in prison, and did not help you?’ “He replied, ‘Truly I tell you, whatever you **did** do for one of the least of these, you **did** do for me.’ (Matthew 25 : 37-45)*

The Valentine of LOVE is every day we wake up.

**Great is thy faithfulness, O God my father
There is no shadow of turning with Thee
Thou changest not, Thy compassions,
they fail not
As Thou hast been, Thou for ever will be
Great is thy faithfulness
Great is thy faithfulness
Morning by morning new mercies I see
All I have needed thy hand hath provided
Great is thy faithfulness, Lord unto me.**

**MY FAITHFUL VALENTINE BRIDE, NANCY,
CRADLES OUR THIRD GENERATION KAYLEEN.**

FAITHFULNESS TO

FOREIGNERS

Khaleal (Pakistan refugee Christian) HOMELESS from the Diversion Center processing immigration papers, legal status to live in USA.

FAITHFULNESS TO THE FALLEN HOMELESS

Bob - just released from the Detention Center at QT and homeless without Christ. Eating an ice cream together, that all changed in minutes. He admitted his wayward association with wrong women, and chose to put his focus on Christ alone.

“FAITHFUL LOVE” THAT REACHES OUT IN PRAYER

FAITHFULNESS TO THE FATHERLESS

We don't choose our parents to be born to and live with. We simply manage with what we have been dealt in life.

Caroline, whom I met in the court halls, was facing eviction from a very unsafe and illegal house. She had been passed around her whole life through DFAC since her birth for 21 years.

It all changed the day Christ saved her. Though finding stability in housing is still in the works, her foundation is in Christ alone who will never leave nor forsake her!

FAITHFULNESS TO THE FALSE RELIGIONS

SWAMINARAYA MANDIR - LILBURN

In a world of tolerance to any **“TRUTH”** disguised under false religions, there is a desperate need for intercession. **PRAYER REQUEST** – that God will open this door in His timing to meet with their leaders to build a trust level for the Gospel.

GOD’S FAITHFULNESS IN ANSWERED PRAYER TO OPEN DOORS

I saw the write up on your court hall chaplaincy ministry in the **January Mosaic**. It immediately caught my attention. I come from a small town where I practiced law for many years. I have been trained and certified as a DR chaplain, and I have been involved in local ministry and missions for many years. I presently serve as **state president for Alabama WMU**. I graduated from New Orleans seminary in December with a master's degree, and I have been listening out for some direction from God about my next venture.

When I read about your ministry, it called to me. With my background in ministry and law practice, it seems tailor made for me.

I have discussed this possible ministry with Mark Wakefield, our Alabama State Missionary who resources chaplains. I have an appointment this week to speak with our local Presiding Judge about access to the courthouse. I am very interested in talking to you about this ministry.

I could even come to Atlanta to observe, if you would allow that. If you can give me some more information about this ministry, I would appreciate it so much.

I met with our local Circuit Judge earlier this week, and he was very interested in this ministry. He wants to talk to the other judges in our circuit and he will get back with me next week. We discussed how the ministry could work in our courthouse and he had some good suggestions. I may need more input after we actually start setting up the ministry. I appreciate your help so much. Mark Wakefield is our State Missionary resourcing chaplaincy ministries, and I have also been in contact with him. I have a lot to think about, and I am trying to go slow and start small, as everyone is advising me. I feel like God is calling me to this ministry but I don't have the whole picture yet. Thanks again for your help.

In Him,
Melissa Bowen

Please pray for **Melissa Bowen** as she seeks God's call to establishing a court hall ministry in Alabama.

THE RESURRECTION OF WARFARE INTO **FAITHFULNESS** OUT OF “UNFAITHFULNESS”

I am sorry it has taken me so long to write you. I would say it was partly because of my past behavior. Regardless there is no excuse. Thank you for your letters. You are one of the few people that have written me and it means a lot. ... You have always been there for me. I look up to you and admire your steadfast relationship with God. It seem like every week as I grow in my relationship with God something you have said in the past will come to mind.

I think of the most important things that you used to tell my all the time that I have really come to understand is that **we must show our dedication through faithfulness.** Without faithfulness nothing can happen. I never realized what a lazy person I was. I guess I thought that when I reached a certain place with God that His Spirit would take over and everything would be easy and I wouldn't be tempted anymore.

Boy was I wrong. Our will and the moment by moment choices we make in life play a huge part in the process of God changing us.

It is a battle and a fight. For the first time in my life **I have the will and desire to fight** it because when I had nothing left, no self dignity, no family, and no hope, God was still right there fighting for me.

David, I love Him so much. **I will fight for Him,** for my family, and for my church every day for the rest of my life. You have played in vital part in this. I want to disciple other men and walk with them and show them the truth day by day. My wife and I are better now than we have ever been. She is an amazing wife and woman of God. This is a marriage Satan will never get. I should be returning home sometime in March. I am praying for you and your family and the work of the Lord you are doing. Thank you brother. JM
