

THE HEART OF OUR FATHER'S LOVE - COMPLETED HERE IN TRINITY FORM

After he had spent everything, there was a severe famine in that whole country, and he began to be in need. When he came to his senses, he said, 'How many of my father's hired servants have food to spare, and here I am starving to death! I will set out and go back to my father... (Luke 15 : 14, 17)

"But the father said to his servants, 'Quick! Bring the best robe and put it on him. Put a ring on his finger and sandals on his feet. Bring the fattened calf and kill it. Let's have a feast and celebrate.' For this son of mine was dead and is alive again; he was lost and is found.' So they began to celebrate. (Luke 15:22-24)

What if you had a defined stigma by the worst thing you ever did ?

DRAMA has always been God's catalyst for conviction, transformation, reconciliation, reintegration, restitution. We witness this daily in the **TRINITY process** of prison ministry. At our **4th Annual Greater Gwinnett Reentry Alliance** Oct. 26th in the Justice Building, we all celebrated with a barbecue dinner what God is restoring in Gwinnett County.

Several testimonies were shared how the sheer grace of God took old broken vessels to come home to be shaped into a servant **FIT for their Master's use**. Heaven's presence descended from stories only God could engineer from broken lives.

Election Candidates

Senators – Renee Unterman, P.K. Martin, **House Rep.** - Gregg Kennard, **State House** - Donna Mcleod, Sam Park **B O Com.** - Marlene Fosque, **Solicitor**- Rosanna Szabo, and **7th District House** - Rob Woodall celebrated with us. **Reintegrated citizens shared their SERVANT'S heart back into the community.**

Tony Kitchens, working as the field director for Prison Fellowship, served as keynote speaker. From his own testimony, incarcerated in the 70's said, *"Whether you receive a prison sentence of 50 years, five years or five months, you still get a life sentence — a life sentence of being marginalized, living under the radar, (being) isolated, filled with shame, filled with guilt.*

...Reintegration is a journey that involves community collaboration.

A person cannot be what they cannot see; they have to be able to see that (reintegration) is possible, he said. Come Jan. 7, 2019, I will have been out of prison for 34 years... It is not just enough to change. One must be able to see that reintegration is possible because recidivism does not occur in prison, but in the community. I stand before you, not as an ex-offender, not as a returning citizen, not as a formerly incarcerated individual, but a man of conviction because I now understand that my prison experience is part of my whole human experience. Your experiences have value, and (by) bringing your life experiences to bear, (you) can shift paradigms."

Security Patrol welcomes prayer gathering at the Gwinnett Justice / Administration

Daniel Flagg

Saturday November 17, 2018 David Burgher met with the Atlanta Prayer Partners at the Gwinnett Justice & Administration Center for prayer. It was a beautiful day as we gathered and declared God's justice rule and reign in Gwinnett County and the surrounding area. A great move of the Holy Spirit was felt, particularly when the 12 gathered all laid hands on David and prayed for him and his wife Nancy. The Holy Spirit moved us to continue praying for all those present, for judges, volunteers, police officers and more.

Also attending was Matt Davis who came at Daniel Flagg's invitation. Matt has had a heart transplant 1 ½ years ago and we prayed for his continued health.

Anointed olive oil was poured out on the grounds and even up to the front entrance doors. This promptly resulted in a Lawrenceville patrolman being dispatched because the security cameras at the front doors had captured this and those monitoring the cameras were unsure of exactly what was occurring. **After investigating the officer thanked us for our prayers.** Almost immediately thereafter another officer with 40 years of service arrived and spent 10 minutes thanking us. **We were grateful God capped off our prayers for justice by orchestrating the attendance of the two officers who expressed their appreciation for what we were doing.**

Prodigal FATHER & Prodigal SON Dilemma - please pray

I received a Bible and some literature from you a few months back. Thank you for the gift. I will never forget you and your church for helping me. Once released I plan visiting your church, needing a spiritual mentor to draw closer to God.

I've known God my whole life but in these last months, my faith has really been tested. My Dad, a bishop, has kind a always been close until being in jail. That put my girlfriend of 2 years homeless. My parents offered to let her live with them temporarily.

Unfortunately my Dad attempted a very serious crime against her. She no longer lives with them. I was extremely angry as he is suppose to be a preacher knowing she had no place to go. This was not his lifestyle. So not knowing who to believe. She has

I am writing you for spiritual guidance and prayer. I am having trouble processing this situation with my Dad. I don't want to shy away from God because of something my Dad has done. This really hurts.

Being in jail since April 20, my parents sold my car. When due released Dec. 20, I won't have a place to stay nor a car. No communication with my parents since being here.

I struggle with this issue so much because the Bible says to honor my mother and father though they try to hurt me. With 3 children to support, I do need your advise, and not have a grudge in my heart towards my parents. I ask God to heal my wounds and to forgive. Am I wrong for the way I feel? Thanks for your help!
