“THE ONE THAT NEEDS IT THE MOST.”

Edmond Burgher Jr.

STATUTE OF COMPASSIONATE LOVE IN FRONT OF THE FORSYTH CO. COURTHOUSE

January 28, 2020 The first historical prayer walk around 7+ times at the Forsyth County Courthouse.

Pray God will raise up churches in Forsyth Co. to take full responsibility for equipping this courthouse with daily prayer warriors and counselors.

Raising four sons and one daughter in a 2 & ½ bedroom house for the Burgher family had its challenges and competitions. But **“this question of who was loved the most”** by my youngest brother, I think, was a setup for our Dad! What **wiser answer** could Edmond, our Dad, have throwing back at him, then declared, **“And you must be the ONE since you asked!”** Dad’s motive that day was revealing his own heart to my brother to expose his motive for asking. **Oh, the heart love of our heavenly Father as He earnestly leaves the 99 sheep in search for the ONE who has lost his way.**

NO GREATER LOVE NEEDED could Jethro advise his son-in-law, Moses, leading 3 million free slaves in the desert. His recommendations of ruling have survived to this very day worldwide **IN EVERY COURTHOUSE!**

“Teach them his decrees and instructions, and show them the way they are to live and how they are to behave. But select capable men from all the people—men who fear God, trustworthy men who hate dishonest gain—and appoint them as officials over thousands, hundreds, fifties and tens. Have them serve as judges for the people at all times, but have them bring every difficult case to you; the simple cases they can decide themselves. That will make your load lighter, because they will share it with you. All these people will go home satisfied.” Exodus 18:21-23

It was actually a blessing meeting you at the Gwinnett County Court. **I believe meeting you that very morning was part of God's Plans.** I also deeply appreciate all the kindness and support you have given me throughout my struggles and shortcomings.

My 240 hours of community service is spreading God’s Word through very touching pamphlets **“Love That never Ends”** and **“Your Thinking / His Promises”**. I have met with people who have **never had the opportunity receiving such good news about God's Plans for us on Earth.** Sometimes when others see me coming with the flyers in my hands, they assumed that I am passing them as advertisement for either a night clubs, parties, or an event until it's given to them before realizing it's actually God's Word. **“Bov. do I need this. Came at the riah time.”**

On the other hand, there are others who are not willing to stop, listen or take the flyers. I never assumed that they are doing it on purpose. Some in a hurry getting to their destinations. I do not want to judge them just because they were not available at the time.

Placing them on vehicles, in neighborhoods. Some do open their doors and receive the good news. Others may not because of a dangerous world where we live. Overall, I love what I do, and it is a pleasure and privilege given to me by you in spreading God's Words. Thanks, **Morris**

WALTON COUNTY COURTHOUSE

The moment we entered the Walton County Courthouse, two shocking discoveries lay before our team of 4.

ONE DOOR said **"ENTRANCE"** and TWO DOORS said **"EXIT"**. Plain as day! Yes, we enter this world waiting to go to court. We will EXIT this world prepared or not prepared to go to court!

The security guard greeted us with amazement that the church as a whole was actually attempting to show up as God's mercy in prayer where judgment is falling daily.

GOD'S TIMING AND PREPARATIONS

My family moved into Walton county almost 2 years ago. But before that I felt like God had given me a call to do jail ministry. It took about 2 years for anything to open up towards this avenue of ministry. I reached out to our church at the time, called jails & prisons, but kept hitting closed doors.

When we moved to Monroe, I felt like God said it would happen here. A year ago I happen to meet the Mayor of Monroe at a church Superbowl party. God told me to ask him about the jail. We talked a bit and he offered to take me to meet the head jailor that week.

He introduced me to the leaders of the Walton county jail ministry and have been serving there almost every Sunday morning since April 14, 2019.

In my journey into jail ministry, God led me to the GGRA (Greater Gwinnett Reentry Alliance) monthly luncheons at the Gwinnett county jail. It has been a great opportunity for resources & networking.

At one of my first luncheons I was introduced to David Burgher & he began telling me about Bridge the Gap courthouse ministries. Nothing like this is being done in Walton county. It is an open door to reach our population of over 90,000 people in their greatest times of need. As David always says, **'The day you come to the courthouse can be the worst (sentencing to punishment) or the best (celebrating marriage) day of your life.'** We have the opportunity to touch many lives.

My vision is to get all of our local pastors & churches involved in prayer for our community one person at a time. The courthouse is the perfect place to do that! **I COVET YOU PRAYERS. Annie Connors**

ALWAYS ON THE LOOK INWARD TO FOCUS ON THE LOOK OUTWARD

"I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."

"I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me."

David, happy birthday too you. Still don't know if you remember me from GCDC. BUT I WAS THE GUY from Maine down in Atlanta all by myself, and you help me out when I got out find a place to stay and went to church with you every Sunday. You are definitely a saint sent by God to help others. I actually wish you were up here in the cold northwest. God bless **Terry Tucker**
