COVID19 SEASON THIS TOO SHALL PASS

All court houses are pretty much a ghost town. Our prayer meetings each Friday still remains firm there during these vacant days. **We sincerely welcome** anyone close to our Gwinnett Co. courthouse to join us at **12 noon in the auditorium** for intercession for the back log of criminal, and civil cases, and administrative issues. In God's sovereign time we will remain faithful to God's calling in the midst of drama.

When one door is "on hold", God is faithful to open yet another doors for ministry that is a close cousin to the courthouse. **Home Stay Suites on Hwy 78 in Lilburn.** This motel rating is 1 -2., children of all ages with little supervision, in an arena of depression, and hopelessness – the **"final step down to homelessness"**. How could places like these exist in Gwinnett Co. – one of the fastest growing and affluent in Georgia?

Yet in God's book it is His venue for an amazing arena of outreach for all churches.

Upon meeting the on duty manager, his first words were, **"Boy, do we need you here!"** Showing him our flyers we use in the courthouse was as welcomed as a 3 course steak dinner. Confirmation to me that ***"I will give you every place where you set your foot as I promised to Moses."***

July 17th began a door to door wave of miracles in salvations – the diminishing of drugs and alcohol. But with 120 units, we have only scratched the surface.

Through an alliance of several churches through my connections with Andrea Johnson with Hadassah Harvest Community Outreach, we launched a **dinner and Christian concert** out front of the Home Stay Sunday evening August 23.

GOD'S SEASON THIS TOO SHALL PROSPER

The very moment I arrived on the property, God already prepared the atmosphere for worship through music with **M.A. D.E. 4 Christ** (Willie Aka & his team), **Kevin Binette** and his musical ensemble, and **Cecelia Linton** with their We Care Food Pantry / Healing Empowerment for the Soul Ministries.

Over these 17 years, 95% of our ministry has been all one on one, face to face. But God was ready to change the atmosphere of the **entire HOME STAY SUITE from 6:30 pm to 10 pm overnight.** The spiritual enemies of oppression, lawlessness, hopelessness, alcoholism, fornication are beginning to fade away in the **outdoor presence of worship and praise to the Lord Almighty from the youngest to the oldest.**

THIS TOO IS ONLY THE BEGINNING

Home Stay Suite is not the lone range. Majority of lower class **Extended Stay Motels** are a breeding ground for people literally surviving paycheck to paycheck from a history of poor decisions, COVID19 setbacks or on the run from God.

PRAY THAT OUR LOCAL CHURCHES . . .

will see the power of bring worship and praise outdoors to where sin is on the up rise. ***"Go ye therefore into all the world, and preach the Gospel..."***
