

**THE GREATER THE TRIUMPH  
PRAISE AND WORSHIP CONCERT**

**TRIUMPH RISES ABOVE ANY  
TRAGEDY**

Senseless unplanned suffering and heartache MAKES no sense, no rational and no purpose. Then WHY does God allows such pointless tragedies? Good rational question.

***"Do not be afraid. Am I in the place of God? As for you, what you intended against me for evil, God intended for good, in order to accomplish a day like this—to preserve the lives of many people."***

**Genesis 50 : 19-20**

***"If your enemy is hungry, give him food to eat; if he is thirsty, give him water to drink. In doing this, you will heap burning coals on his head, and the LORD will reward you."*** Proverbs 25:21-2

These are extremely difficult and challenging words for all of us from our Lord HIMSELF. They are not to be ignored, in disagreed with or taken lightly. Therefore, ***"Anyone, then, who knows the right thing to do, yet fails to do it, is guilty of sin"***. James 4:17

**Tragedy always comes before triumph. Mess always comes before message. Test always comes before testimony. Death always comes before deliverance in the resurrection. Jesus has his reasons!!**

**This is the backdrop since the murder case on September 9, 2020.** Since our September newsletter, there has been a shift from the shock waves

of oppression to an atmosphere movement of the Holy Spirit.

**September 27<sup>th</sup>** was yet another great praise and worship inside the center of Home Stay Suites. **M. A. D. E. 4 Christ** (Willie Aka & his team) lead out in worship through music followed by **Kevin Binette** and his musical ensemble, and **Cecelia Linton** with their We Care Food Pantry / Healing Empowerment for the Soul Ministries. 4 adults were baptized on the property. Many one on one interactions with people in prayer and praise.

This tragedy has opened the hearts of so many more than we can number. The reality of sudden and unsolicited death gave birth to a resurrection of life in a very spiritually dark extended stay motel.

**For those who sent your postcard to Merquel Williams at the Detention Center, and his home address, thank you sincerely.** In God's timing, pray I will have an opportunity to meet Merquel by video chat at the Gwinnett Co. Detention Center.

By a sudden amazing miracle, God engineered Merquel Williams' name to our **online September newsletter article**. That connection brought me in contact with the immediate family. Only God could have orchestrated this to meet the victim's sister to share and pray together in person. **Please earnestly prayer** for this family in grief over the loss of their son / brother God will use as a stepping stone for their future. **He alone can turn tragedy into triumph!**

**WASHINGTON, Oct. 14, 2020** – Under President Trump's executive order, the Agricultural producers can now make elections and enroll in the Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC) programs for the 2021 crop year. The signup period opened Tuesday, Oct. 13. These key U.S. Department of Agriculture (USDA) safety-net programs help producers weather fluctuations in either revenue or price for certain crops, and more than \$5 billion in payments are in the process of going out to producers who signed up for the 2019 crop year. Instead of farmers dumping their fresh foods because restaurants and schools are not in full operation yet, all surplus foods are now

financially supplied to package it for families in need of food.

**October 17, 2020 1200 40 lb. fresh food boxes** have been allocated to Atlanta (Memorial Dr.) to be distributed to residents where it was needed the most. Each delivery of our **300 boxes** inside included: "Love That Nevers Ends", "Our Thinking - His Promises", and **contact info to FCBL**. Before leaving the property, we prayed the power of the Holy Spirit over each box to bring salvation, repentance, and deliverance of any strongholds plaguing their small unit. The amazing appreciation level was overwhelming. **To God be the Glory.**
