

300 boxes from Semi truck to U Haul headed for 4 locations.

October 31st, 7 am another 1200 40 lbs. of fresh food boxes were allocated to Atlanta (Memorial Dr.) to be distributed where it was needed the most. **Food is the window to the heart that is hungry for God.** Our **300 box delivery in ONE DAY** opened more doors for conversations with the Gospel.

Boxes headed for northern Gwinnett county families.

Delegation to unloading boxes afforded a miracle of the young man at the top left who surrounded his heart to Christ.

Backing up to the Home Stay Suites inner circle was a pleasant surprise for just 2 of us workers. **8 middle school boys** came suddenly to our rescue unloading 30 boxes of food and delivering then to families requesting a box. **PLEASE PRAY**

FOR ALL THESE CHILDREN at Home Stay who have no church home with little parental supervision. It is a wide open mission field for the Gospel with majority who are illegitimate having no Father leadership.

Families wondering about their next week groceries came from everywhere with thanksgiving for these fresh foods.

Crosspoint Church in Duluth took us all by surprise! Tommy, a friend, pulled in to Crosspoint Church the day before needing earnest prayer from a minister. They did pray with a brother Ron in the picture in the middle, but this lead to a divine conversation of Crosspoint's massive food and clothing pantry for Saturday. Calling Ron lead to our first delivery the very next day. They already had a team of men to unload 150 boxes to their massive coolers for distribution.

ONE MAN Ron Redman (above) joined the food pantry ministry after his wife passed away. He felt completely alone with **NO PURPOSE for living**. But this pantry literally resurrected his reason for living meeting the needs of others.

Crosspoint Church food pantry has literally exploded ministering to thousands for folks in the surrounding city. Twice a week, a long line of cars wait to keep up an entire grocery cart of food.

I introduced our flyer **"Love That Never Ends"**. Ron and his manager both agreed this flyer was perfect for every grocery cart box. Their clothing area likewise has expanded. **Please pray this revival of community involvement will spread county wide.**

ONE LADY + GOD = MAJORITY RULES

"Comfort, comfort My people," says your God. "Speak tenderly to Jerusalem, and proclaim to her that her forced labor has been completed; her iniquity has been pardoned." (Isaiah 40:1) Instituted 2005, a group of ladies formed the **WOMEN ON MISSION** at First Baptist Church of Lilburn where Bridge The Gap Ministries was launched 2003. Through one vision, **ONE LADY – Miron McGraw** became a major blessing to thousands of folks needing the

comfort of **custom-made quilts** out of the basement of their home. Only eternity will be able to measure the physical and spiritual impact even overseas. Miron in recent months has come bedridden. **Kate Fredrick** has picked up the mantle to continue this ministry. They called us to distribute **100 quilts**. This assignment has been completed locally as well as to reach the flooded regions of Guatemala's hurricane in recent months through the personal contacts of Oscar Lopez with BTGM.

ONE BODY IN CHRIST + GOD BECAME 21 UNITED CONTENDING FOR A GA. MAJORITY ELECTORAL COUNT

NOVEMBER 11, 1620

America entered into a covenant with God to be a light and steward of the gospel of Jesus Christ. This first "constitutional document" was the **Mayflower Compact**. On this day, which is also Veterans Day, in honor of our God-centered foundation, we renewed this strong covenant. We prayed and praised declaring this ground, this county, this State and our Nation belonging to God.

This strategic gathering has been organized to **encircle the battle ground county seats** with targeted praise and intercession. They carry a unique authority and maturity that will bring fullness of purpose that the TRUTH be revealed in this election.

NOVEMBER 11, 2020

Gwinnett County Justice and Administration Center at 11:00 AM. Under the leadership of Teresa Cantrell, 21 prayer warriors gathered in front of the Fallen Heroes Memorial. In a drizzle of rain, the power of praise and intercession was decreed a righteous legal victory ballot over Georgia's legislative branch. No sooner had we prayed **God literally parted the heavy clouds with blue skies and sunshine!** Then a group made the same decree in prayer circling around the **GA State Capitol** and the **Fulton County Courthouse**.

"Pray Georgia" covered similar events in **MI, WI, AZ, PA, and NV**. The intended goal was pure praise, worship, intercede and declare victory for God's Kingdom.
