

# WHAT IS FASTER THAN THE SPEED OF LIGHT ? PRAYER TO OUR HEAVENLY FATHER

**“OUR FATHER WHICH ARE IN HEAVEN  
HOLY, HOLY, HOLY IS YOUR NAME.”**

## HEAVENLY FATHER

Exodus 20:12: “The fifth commandment says, “Honor your father and mother, that your days may be long in the land that the Lord your God is giving you.”

2 Samuel 7:14-15: “I will be a father to him, and he'll be a son to me. When he does wrong, I'll discipline him in the usual ways, the pitfalls and obstacles of this mortal life. But I'll never remove my gracious love from him.”

Psalms 103:13: “As a father has compassion on his children, so the Lord has compassion on those who fear him.”

Proverbs 22:6: “Start children off on the way they should go, and even when they are old they will not turn from it.”

Psalms 127:5: “Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their opponents in court.”

## Much like a tree,

God has set the stage in fatherhood to multiply and expand our branches on His earth through our children to delegate His authority and dominion to manage under His accountability. There is no greater reward a father can receive than to be a son's first hero, and their daughter's first love.

## EARTHLY FATHER

God allowed us the power to become an earthly father to help us physically, mentally, and spiritually see what He goes through with us as our heavenly father. He immediately installed every person with the ability and desire to cry out to Him through prayer that transcends time (faster than light) or space to the very Throne room of God. God is omniscient (all knowing), omnipotent (all powerful), and omnipresent (all places). He is more than qualified and capable of handling 8 billion people all at once from the very beginning.

However, as earthly fathers we have fallen short of His standards of our Heavenly Father. Almost ¼ of United States children under the age of 18 (15.9 million children with mother, 3.05 children with single father) live under one parent, and no other adults (23%). This is more than three times the share of children around the world who do so (7%). The pill abortion killer has escalated to 642,700 in 2023.

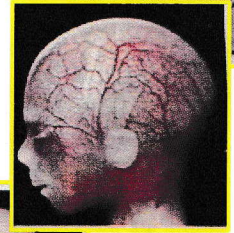

## The most challenging families

I face in the court system single parents/ common law couples who deliberately bypassed marriage. Where there has been no Dad, literally years of maturity has been suffocated with their inability to mentality, financially, and spiritual support the children God gave them.

## The most beautiful picture

in our court system is encouraging families before they get their marriage licenses with the enclosed flyers.

IMMACULATE / PERFECTION  
ONLY OUR HEAVENLY FATHER CAN CONCEIVE

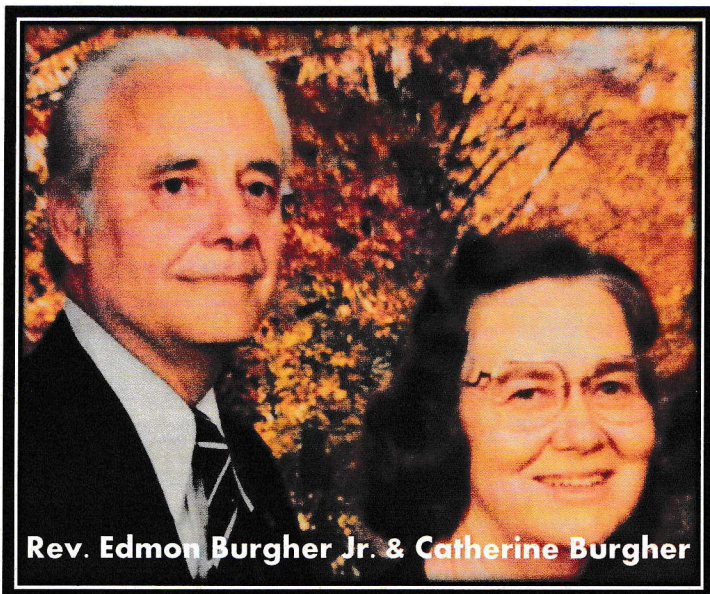

**HONOR YOUR FATHER AND MOTHER – THE HIGHEST EXPRESS OF APPRECIATION FOR OUR HUMBLE BEGINNINGS.**

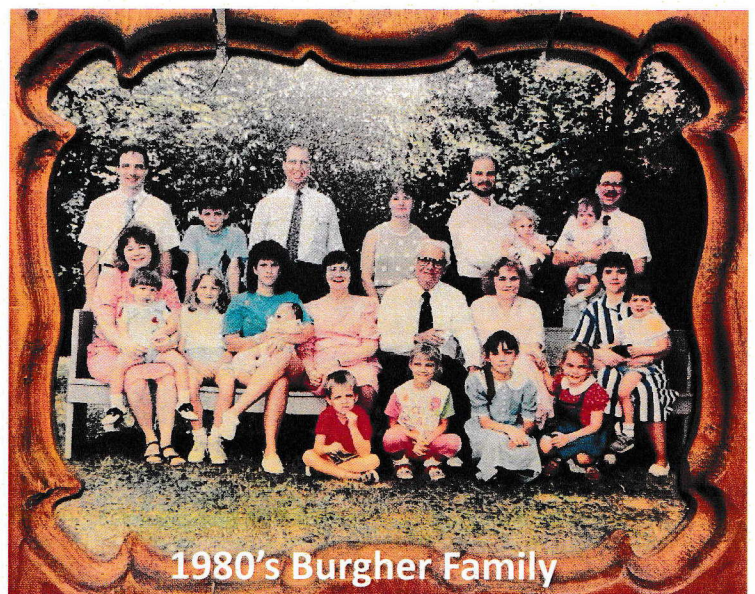

In utter amazement, love and the magnificence of microscopic conception to literally begin the inception of a perfect and eternal human being into this world and calling us “fathers” like our Heavenly Father is staggering and beyond profound. These photo captions of our humble beginnings scream out loud and clear to our own ignorance and helplessness. It causes us to deeply reflect inwardly into our hearts how God Almighty could ever engineer and create us from two microscopic cells.

These staggering pictures compels us the reason why God commands us to honor our father and our mother with a promise. Why? Because Satan’s revenge against God’s creation yields dissension in families in this world. His deliberate spiritual attacks divides families ending up in deep remorse, revenge, unforgiveness, and silent destruction.

But there is a shield! The family that prays together stays together. This was a tool my parents exercised daily in our home as a shield against the attacks we faced. No opinions.
