

DESTROYED BY LIGHT

HISTORICAL DARKNESS

Over the centuries America has had massive attacks against our constitution bylaws founded on the Bible. From generation to generation the dark power struggles of Humanism as new titles: CRT, DEI, trans gender confusion, fascists, and racial self-hatred in teacher unions. Each as its own attached names, under the spirit of humanism/communism – ‘kick God out period.’

This is nothing new when you read the entire Old Testament. It portrayed the all out warfare between the “gods” of this world and Almighty God. In 1st, 2nd Kings is an amazing detailed account of God constantly correcting His own people through the prophets, and priest. Over the centuries they were constantly attracted to “manmade idol gods to the point of sacrificing even their own children!”.

Based on the kingship morality determined their refusal to listen to Almighty God through the priest of prophets or obey him. God had one choice ultimatum consequences; use an “even more wicked nations attracted to foreign gods to ship them out to jail in another country – Assyria 722 BC.

America, with all our wealth, have become a nation loaded with illegal and legal aliens and their imported gods. We are a “melting pot nation” flowing with “manmade” gods in our own backyards: Buddha, Islam, Judaism, Hinduism, Sikhism Confucianism, Taoism, Communism, and Zoroastrianism just to name a few. But we unknowingly have included the gods of wealth, prestige, careers, pride, drugs, alcohol, etc.

Since we are all surrounded with these gods, there is a LIGHT that does destroy that darkness. I’ve enclosed “LOVE THAT NEVER ENDS”. Copy and distribute these wherever you go. “I have a very special gift for you! You will love it. Read those 4 lines out loud.” Managers at liquor or grocery store liquor idles, night clubs, Islamic Mosques, Buddhist or Hindu Temples will be astounded! Darkest locations in our county needs the light to shine.

DRUG COURT GRADUATION

(CANCELLING FALSE GODS OF DRUGS, ALCOHOL)
Good news for Gwinnett Co. Our “modern day gods” have been on a crackdown in our drug court involving frequent court appearances, random drug testing, as well as group and individual counseling. Drug Court awards incentives for compliant behavior and imposes sanctions for undesirable behavior. Participants who do not comply with the rules may be placed in short-term custody, restart the current or previous phase of Drug Court, and/or a variety of other sanctions. Participants may also be terminated from Drug Court. It is our goal to improve the quality of life and reduce recidivism for participants. Those who graduate will have a solid foundation to build upon in order to become even more productive members of our community.

August 14th their graduation day just happened to be OUR FRIDAY PRAYER TIME. What a surprise date as they honored the students. Upon talking with one graduate, a revelation became extremely clear there is a massive difference between “mandatory” accountability and “voluntary” accountability.

Upon graduation there was no more “mandatory accountability” to report to!! But does that stop their continued need for accountability? No. It’s their launch to connect with a small group of Christ followers who are the light of the world. Please pray for us to connect with these graduates if possible to point them to our weekly small group Bible study to keep them “focused on Christ alone” as their light to keep them away from darkness.

HOURS BEFORE HIS CRUCIFIXION

“Lord, not my will, I but your will be done!”

“Lord, not my will, I but your will be done!”

Twice in the Gethsemane garden Jesus agonized with sweat drops of blood. Jesus Christ under a divine verses humanity warfare! Should He allow these soldiers to take Him to the most horrible punishment to the cross for our sins?

That same agonizing temptation has continued for thousands of generations. Our enemy, Satan, entices man with demonic spirits exposed through alcohol and drugs. It's an internal spiritual warfare so many don't know how to overcome. Each generation somehow forgets their body is not even theirs!! It's temporarily created “on loan” to us all to be treated, protected, and handled like fine Chinaware vessel for God's purpose alone. The trinity of “Me, myself, and I” is not trustworthy. That's why Jesus said, “Not my will, but will be done!” “Do not be drunk with wine, but be filled with the Spirit.” (Eph. 5:18)

Somehow through “popular acceptance” Satan's strategy has legalized “counterfeit spirit drinks” to justify twisting a person's behavior for harm to self and others. So why is “counterfeit money” extremely illegal, but “counterfeit spirits” are justified? **When the light of the Gospel is planted in these arenas below, darkness and deception hast the leave.**

COUNTERFEIT SPIRITS GWINNETT CO.

NIGHT CLUBS – searching to meet up of anyone for the wrong motives.

LIQUOR STORES – resource for a quick fix drink to num failures.

MOSQUES – seeking Allah through rituals to fill the void of a personal relationship with Almighty God in their hearts.

HINDU TEMPLES - seeking purpose to life from statues, by recycle life all over again to a better place.

BUDDHIST TEMPLES seeking purpose to life from statues to help for answer who I am and why I'm on earth.

Gods shown here are prefabricated by man except Christianity. God has allowed some of these “gods” to take residence in Gwinnett Co. Why? They are an open door for churches to be a lighthouse of the Gospel to each one. The difficult step for churches is to be on their property. They are folks just like us in an earnest mission to seek out man's biggest and must unanswered question to all mankind: **“Why am I on earth?”** Majority are clueless.

It's a very shocking question to all of them mainly because no one has ever asked that question to them. **THE ANSWER**. Yes 8 billion people are preparing for the grave to meet face to face the Creator of the Universe, Jesus Christ Himself. Why Jesus? He literally conquered the grave in His resurrection while He was on His earth an ascended back to heaven to His Heavenly Father. He has promised to return back to HIS earth to reclaim all who have surrendered to His will. **Presenting the Gospel in our Gwinnett criminal administration has been a beacon of light, and a breath of fresh air spelled – HOPE!**
