

*"Don't you know that you yourselves are God's temple and that God's Spirit dwells in your midst?<sup>17</sup> If anyone destroys God's temple, God will destroy that person; for God's temple is sacred, and you are that temple."*

1  
Corinthians 3:16-17

Love is the most beautiful action word in the world, *"For God so loved the world that He gave."* The 4 Greek words for "love" are eros, affection, friendship, charity.

The heterosexual families with children is loosing ground to a fatherless generation. It is the breeding ground of father's deception into homosexual and transgender generation to slow suicide of **40 to 50 years old!** This sexually immoral epidemic poison explains what has crumbled and killed entire nations called **"lost civilizations"**. The greatest of all was God flooding the earth in Genesis.

Satan's hatred for the human race in the latter days is pushing sexual deviations and assaults against our children escalated through social media pressuring for acceptance ***"it's all OK."*** **Nothing further from the TRUTH.**

*"Do not be deceived: God cannot be mocked. A man reaps what he sows. Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life."*

Galatians 6: 7-8

Warren Farrell, author of the book **"The Boy Crisis: Why Our Boys Are Struggling and What We Can Do About It,"** has found that being "dad deprived" is a leading factor in males' increased mental illness, addiction, suicide, dropping out of high school. Boys tended to be idle and teenage girls have a greater risk of pregnancy or lesbianism. The chances of these children going to college were greatly diminished. It is more likely to follow the pattern of the previous generation in inner

cities. Scorn or mockery by financially stable peers often instills a negative outlook of themselves.

He links the mass shootings in 53 developed countries to boys and men who lacked a father figure, and he specifically mentioned six mass shootings that have occurred in the United States in the 21st century. **Who is connecting the dots and addressing the physical damage caused from a missing link single parenting?**

## **PRAYER – THE SPIRITUAL ROAD BLOCK TO TAKE ON THE SPIRITUAL ATTACK AGAINST CHILDREN**

**While the Gay Pride flags waved their "pride to thrive in Gwinnett Co."** we prayed and prayed for God to close the doors of rebellious arrogance that it is all OK to be gay. Their last day to proclaim their stand was bashing the court system, **but were rained out dismissing them all.**

Since the public schools are the gay's 1# target, the following suggestions we all can collectively stand against the declining morals in our schools. Yes, there are many wonderful principals, teacher, coaches, and numerous Christian schools. They all need our words of encouragement in person and prayer from the churches across the county.

1. Send a letter to your nearest public-school principal that you are praying for them for their multitude of decisions they make daily. **The enclosed letter I am sending to all 142 public schools principals in Gwinnett Co.**
2. Prayer walk in front or inside the schools if possible:
  - \* Holy Spirit's presence of conviction of sin.
  - \* The presence of God's Word placed back into the school. Regular prayer is removing strongholds.
3. Appointment scheduled with the principal:
  - \* "What concerns do you face as a principal that is in need of change? **(Enclosed literature for principal.)**
  - \* "How can I pray for you as the principal?"

# GRANT OF LOVE TO STRUGGLING FAMILIES

Jesus said, "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me." Matthew 25:35-36

## The most difficult challenges

as a chaplain in a very prosperous county is witnessing families struggling from week to week to prevent living on the streets or in cars or the woods.

Yes, there are **multitude of reasons**: loss of job, cut in salary or hours, rent increased, loss of health mentally or physically, divorce, conflicts in the home, pure laziness on drugs or just released from jail. But life continues no matter where they are or what reason. It is a **COLD REALITY CHECK** living on the edge daily. For so many it is months or years.

In June a grant was issued to Bridge The Gap Ministries to be distributed in a benevolence account for families within Gwinnett CO. This grant has provided restoration where hopelessness dominates so many families.

But the biggest grant is to **discernment of the real spiritual needs that control their physical needs**. This reaches the core of why they are where they are. Taking a spiritual inventory of the why's, leads to the how's to overcome why God permitted their status in the beginning. **THANK YOU SINCERELY for your help assisting this ministry reaching the least, last, lost.**

## PORT-AU-PRINCE "HOPE" IN THE MIDST OF HOPELESSNESS

Bridge The Gap Ministries is an encourager to Pastor Jean Dupervil for his visions in Haiti since 2003. The prolonged warlord leadership, and a 7.2 mag. earthquake shredded entire Port-au-Prince with 2,200 loses. But there is still the Grace of God shining out HOPE. They are now able to feed 180 young people and 8 pastors in training.

Month of June alone we had 12 people saved and 7 restored. Sunday with a nice service and a nice hot plate for everyone. All be to the glory of God. Thanks be to God for using us in His Kingdom work. Gerard Dupervil – director of School of music shown here. We would like to raise some more for the 4 teachers that came from Port-au-Prince Blessings. *Pastor Jean Dupervil*

## Outside The Box Ministries, Inc.

### Lawrenceville Lawn on June 25, 2022

#### "The Blessing – Lawrenceville"

sponsored by Daniel Flagg and Outside The Box Ministries, Inc. was held at the Lawrenceville Lawn on June 25, 2022. Daniel heard from the Lord that **"There is a widespread unity issue" and decided that the best way to address that was to "Take the love of Jesus to the streets."** He also heard **"We are in a season of Victory"** and felt that if God had declared the season of victory, that we should gather and proclaim blessings on our cities, region and nation as if it is already done. (Perhaps not so coincidentally the Supreme Court had just overturned Roe vs. Wade the day before).

The worship started to the tune of "Amazing Grace" and included about 8 hymns or worship songs. The event also included a march through the streets of Lawrenceville in which the police barricaded the streets for the marchers as they marched with signs such as "God Bless America and Lawrenceville" and "Jesus loves you."

Speakers including Daniel Flagg, Clyde Strickland, Oscar Lopez and others spoke and everyone attending (about 130 people) stated the speakers and worship was very good. Outside The Box Ministries would like to invite all reading this to join them August 24<sup>th</sup> at the State Capital for "The Blessing-Atlanta."
