

HOPE

NATIONAL DAY OF PRAYER AMERICA

**MAY 1, 2025
6 PM**

LAWRENCEVILLE LAWN

*"When the lamb had taken the scroll, the four living creatures and the twenty-four elders bowed down in front of him. **Each held a harp and a gold bowl full of incense, the prayers of the saints.** They sang a new song: "You are worthy to take the scroll and open its seals, because you were slaughtered. With your blood purchased us¹ for God from every tribe, language, people, and nation. You made us¹ a kingdom and priests for our God, and they will reign on the earth." Then I looked,*

and I heard the voices of many angels, the living creatures, and the elders surrounding the throne. They numbered 10,000's times 10,000 and thousands times thousands. They sang with a loud voice, "Worthy is the lamb who was slaughtered to receive power, wealth, wisdom, strength, honor, glory, and praise!" I heard every creature in heaven, on earth, under the earth, and on the

them, saying, "To the one who sits on the throne and to the lamb be praise, honor, glory, and power forever and ever!" Then the four living creatures said, "Amen!", and the elders bowed down and worshipped." Revelation 5:8-14

PRAYER – OUR MOST POWERFUL YET EASIEST NEGLECTED RESOURCE GOD HAS GIVEN FREELY TO 8 BILLION PEOPLE.

In Apostle John's **Revelation 5**, God unveiled to him perhaps the clearest heavenly display of what God has given to all mankind through our heart felt prayers. Our visible **physical body** to house the highest of His creation.

Our invisible gift of **100,000 HEARTBEATS** daily for life. Our invisible gift of lockdown to our **BREATH** to physically live to communicate in His world. Our invisible gift of **FREE WILL** in choices. Our invisible gift of lockdown to **TIME** for accountability in our choices. Our invisible lockdown to **GRAVITY** to keep us on earth without floating in space humbles us to our limitations.

It was all for one solitary reason: COMMUNICATION ! It is the most beautiful free "heart cell phone" gift of prayer with our Creator Heavenly Father and His Son Jesus Christ 24/7 could ever give us. This moment by moment access keeps us in a daily dependency that **we are not in control, He is.**

However, in the midst of all these lockdowns God has set up for us, we are still guilty of choosing to:

1. **DELETE PRAYER** – "I really do not need it now. I'm too busy, too tired, to get on the phone with God."
2. **DELUTE PRAYER** – "I am more focused on what I have to say, wrong attitude to Him, or very little faith He will actually answer."
3. **DOWNSIZE PRAYER** – "I really don't have the time to be with Him. I am actually good on my own."

In preparation for the **NATIONAL DAY OF PRAYER MAY 1, 2025** may that day ignite in us all that prayer is not just another day or weekly habit, but a spur in our side to spark an individual and corporate longing for our Heavenly Father deeper than ever before. **One day we all will meet Him face to face in shame or with welcomed open arms with Him for eternity.**

In the midst of our multiple roadblocks, trials, disappointments, loneliness, doubts, and even wrong decisions;

WHAT is the real meaning of life on this earth? **WHY** am I even on earth?

WHEN will answers come to my prayers? **HOW** will I ever have peace of heart?

WHERE am I really headed after the grave?

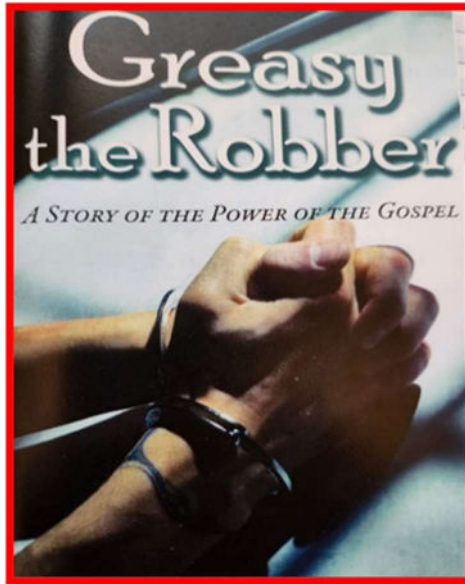

WHO is the Master behind all these questions? We are all waiting in His massive 36 billion acres of earth land, surrounded by roughly 326 million trillion gallons of water orbiting 67,000 MPH around our Sun that is 1.3 million times our earth in a 100,000 light year diameter Milky Way in an endless eternal Universe?

TRUE STORY OF ONE MAN'S JOURNEY TO ANSWER THESE QUESTIONS.

“Greasy the Robber”

Adventurous, suspenseful, and incredible true story I have ever read! So powerful it is worth sharing with you today. Here is why.

Our Gwinnett Co. Courthouse is the centerpiece of the county to execute justice and mercy. You may not know, but it all began around 1455 BC when God told Moses to physically set up His justice and mercy system in a tent “Tabernacle” in the desert on the way to the promised land. This criminal justice accountability has literally

covered every county worldwide. As a court hall Chaplain in Gwinnett Co. Courthouse for the past 20 years, it has been an amazing place to pray with countless folks at their most troubled criminal consequences, resulting in miracles of changed hearts through repentance and salvation. How could that be?

It all starts with what got them there. All people are born with a rebellious spirit from the beginning. This led all mankind to an endless mixture of poor beliefs, poor relationships, and poor decisions/actions. The **common cover up** from pending consequences is trying to work harder to be a “good enough person” with ritual religious practices to appease or alcohol and drugs to numb their inadequacies. But it leads only to more crime in defiance and greed. Surprisingly it all becomes just more fuel for their fire not their rescue.

This is why God established a worldwide court system to verify His judgment. It is a visible picture that every person God created on earth are guilty of breaking **God's perfect 10 Commandments**. How ironic it is we all “expect perfection” from God in His formation of trillions of galaxies right down to the trillions of body cells He built in us. Yet we quickly forget that all 8 billion people He created are all on **death row**. There are not enough good deeds or beliefs strong enough to escape us from **death row**.

It is a pretty big defiance to gamble knowing that the total sum of our best behavior would give us a license to escape the grave. **Tomorrow could be our LAST DAY.**

The court halls on earth are our daily reminder there is a unannounced court date we have with death. We will be immediately escorted into God's courtroom guilty as charged to stand before a perfect Holy and Just God, the Judge of all judges. The payment consequences of our sins is an inescapable death to a horrible eternal flames.

But good news, God, the Creator of His Universe in His amazing love, provided us His Son, Jesus Christ in flesh, to literally take our eternal punishment through His death on a cross **to cancel our debt we owed to Him**. His proof was His physical resurrection to give us eternal life with Him in His heaven when you repent and accept Him as Lord and Savior. **Enclosed “MY ATTORNEY”**

Sincerely,

Chaplain David Burgher
